WORD SEARCH puzzles require mental and visual skills and come with a bonus - the physical muscles of the eyes get exercised! Great for focus and concentration, practicing this type of exercise prepares for scanning of key words in documents, contracts or texts.

DIRECTIONS: Hidden in the grid below are words related to Christmas. Words read in a straight line but will appear across, backwards, up and down - and diagonally up and down. Cross off the words on the list below as you find them.

"BRAIN-tertainer Tip™": Circle whole words, which may overlap.
